Select Testimonials

It was indeed a very enriching experience for us i.e. we partners and our audit managers to undergo training program conducted by FinPro Consulting on issues and practical application of Indian Accounting Standards (Ind-AS). Your in-depth knowledge of the subject and hands-on experience in implementation of IFRS for multinationals, has helped us immensely to understand the subject. I may add that the three day introductory sessions on (Ind AS) conducted by you for senior Accounts Managers of our clients was very well appreciated and the feedback from them was very laudable.

Late CA Abhay Bhagwat

“It was an amazing experience at IFRS batch as that was most professional yet convincing study session. The way the sessions were conducted by both of you made it so easy for me to understand and apply the logic behind the standards issued. Your efforts and experience made it so convenient in understanding that I could score 71 marks in the exam in such a small time span available for studies.”

CA Tanushree Solapurkar

“Initially I was wondering where I’ll get the academic as well as practical guidance on IFRS as its been 15 years I had studied Accounting Standards. I choose FinPro, a very professional, practical oriented, well co-ordinated and managed firm for it. At the end I was right. In fact I asked few more staff from office to get this course done. Keep it up guys and all the best.”
