## Google Reviews

FinPro is truly professional and student centric classes. The faculty CA Amit Darekar always kept encouraging us and he always felt as our elder brother suggesting us, motivating us and helping us to understand the subject, topics and questions.

The discussions during classes were absolutely interesting and helped us to understand various concepts and crux of the accounting. We understood the importance of understanding Initial measurement and subsequent measurement. Amit sir has always helped us in all queries, doubts and also gave us various examples during lectures.

I will strongly recommend Finpro Consulting for Dip-IFRS. A perfect carrier to travel through Dip-IFRS journey.
